Compliance and Certifications Overview

Document KR-CMP-003 | Version 1.4 | Effective 2026-03-01 | Owner: Security

1. SOC 2 Type II

Kestrel Insight has completed a SOC 2 Type II examination covering the Security, Availability, and Confidentiality trust services criteria. The most recent report covers the period 1 January 2025 to 31 December 2025 and was issued by an independent CPA firm.

The SOC 2 Type II report is available to customers and prospects under NDA through the Kestrel Trust Center.

2. ISO/IEC 27001

Kestrel Ridge Software is certified to ISO/IEC 27001:2022. The certificate was issued in June 2025 and covers the Kestrel Insight platform and its supporting engineering, operations, and support functions. Surveillance audits are performed annually.

3. Privacy Regulations

- **GDPR and UK GDPR:** Kestrel acts as a processor of customer personal data. A Data Processing Addendum (DPA) is available to all customers. International transfers rely on the EU Standard Contractual Clauses and the UK International Data Transfer Addendum.
- **CCPA / CPRA:** Kestrel acts as a service provider and does not sell or share customer personal information.

FICTIONAL SAMPLE DOCUMENT - Kestrel Ridge Software is not a real company.

4. Other Frameworks

Kestrel's security program is aligned with the NIST Cybersecurity Framework 2.0. This is a self-assessed alignment and not a certification.

5. EU AI Act

Kestrel maintains an inventory of its AI systems and assesses new AI features against the EU AI Act. Kestrel Insight is a general-purpose document intelligence tool and is not intended for the high-risk uses listed in Annex III of the EU AI Act. Customers are responsible for assessing their own use cases.

6. Requesting Compliance Documents

Customers and prospects can request the SOC 2 Type II report, ISO/IEC 27001 certificate, penetration test summary letter, and completed standard questionnaires through the Kestrel Trust Center. Some documents require a signed NDA.
